Tuesday June 22 CLOWING AROUND

Bring lunch, extra water and snacks, labeled sunscreen.

Snacks provided by _____

Today we'll clown around with beanbags, clown noses, musical chairs and enjoy the special story of a clown and his best friend in Oregon's Journey. We will also have some fun playing "roll a clown: and preparing to dazzle with our airbrush face paints. Finally, send in the clowns and learn about the main man behind "the greatest spectacle on earth", PT Barnum.

Wednesday June 23 ALL ABOARD

Bring lunch, extra water and snacks, labeled sunscreen.

Snacks provided by _____

It's time to load up the circus train and move to the next city. Today we'll learn all about the locomotive, freight and passenger trains. Later, we'll cool our engines with some fun water balloons then make our own handmade circus tents, decorate an Apple train and showcase it with circus animals in each car.

Thursday June 24 ACROBATICS

Bring lunch, extra water and snacks, labeled sunscreen.

Snacks provided by _____

Apple campers will be upside down, inside out and sideways today! Enjoy crafting tightrope walker hats, wristbands and of course--the tightrope walker pole for amazing acrobatics. The show stopping lineup for today will include leapfrog, splits, somersaults and aerial ribbons. Later we'll end the day with Circus stretches and yoga

Friday June 15 CIRCUS SMARTS

Bring lunch, extra water and snacks, labeled sunscreen.

Snacks provided by _____

Do you know who some of the most famous tricksters, daredevils and magicians of the circus are? If not, don't worry--you soon will! We will learn about these heroes and what it takes to make a circus. In the afternoon, we'll caravan to Rio Park for a picnic and games with our parachute. Upon our return, we'll create our own clowns with bowties and see a video of modern circus heroes, Barnum and Bailey!
