

**Camp Apple 2022**  
**Session 1 June 13-17**  
**Space Camp Week 2**

**Monday, June 13th**

**Dwarf Planets**

**Bring Lunch and Water**

Hi ho hi ho it's off to work they go! Start your day crafting your very own mini planets out of clay. Next, learn a little bit about what classifies a planet as a dwarf. Later, let's play a few rounds of Grab the Planet—prepare to guard yours! In the afternoon, become a space detective as we look at some mysteries of the solar system from NASA—*prepare to be amazed!*

**Tuesday, June 14th**

**Moons**

**Bring Lunch and Water**

Get ready for a moon landing! In the morning, we will do some moon marble painting. Next, learn about the important role the moon plays on Earth. In the afternoon, join us as we go on a hunt for moon rocks. Later, let's explore all the other moons that exist in our galaxy. We will end the day with a little Michael Jackson inspired Moonwalk freeze dance.

**Wednesday, June 15th**

**Stars and constellations**

**Bring Lunch and Water and a Bathing suit & towel (weather permitting)**

The stars are shining bright today! In the morning, let's create our own constellation art. Next, enjoy a reading of the story "Mae among the Stars". Later, we'll look at constellations and how they got their names. In the afternoon, let's cool off with a little meteor sprinkler shower, while we play a game of asteroid toss. As we dry off, we will end the day creating edible constellations from pretzel sticks and marshmallows!

**Thursday, June 16th**

**Astronauts**

**Bring Lunch and Water and an empty plastic water bottle**

Welcome to NASA's Astronaut Academy! Today is all about becoming an astronaut! In the morning you must create your own water bottle rocketship to help you blast into space. Next, let's learn about what it takes to become an astronaut. Later, it's time to eat like an astronaut as we learn how to make astronaut ice cream! We will end the day going through astronaut boot camp as we go through a series of training exercises.

**Friday, June 17th**

**Aliens**

**Bring Lunch, water and dress like an alien (optional)**

The Aliens have landed at Apple. In the morning, create your own alien spaceship. Next, let's explore the mysteries of the UFO. Later, take part in the Alien Bowling championships. In the afternoon, enjoy the silly tale "Aliens love Underpants" and create some alien worthy underpants. End the day with some alien inspired face painting.
