Apple Winter Camp MOVIE MANIA January 3-7

Monday, Jan 3 Hollywood Bring Snacks, Lunch and Water

Calling all actors and actresses! Walk the red carpet this morning as you make the way for your audition. Next, learn about how Hollywood came to be. Later, create a star for our own Apple Walk of Fame. End the day taking a sneak peak behind the scenes as we watch **Prop Culture** and see some exciting behind the scenes footage from classic movies.

Tuesday, Jan 4 Mary Poppins Bring Snacks, Lunch and Water

The wind's blowing to the East and Mary Poppins is coming! In the morning, create your own carpet bag to keep all your belongings in. Next, listen to the tale of Mary Poppins. Later, we will have penguin races across the grass. In the afternoon, see if you can create sidewalk chalk art just like Bert! We'll end the day enjoying a showing of **Mary Poppins**.

Wednesday, Jan 5 Honey I Shrank the Kids Bring Snacks, Lunch and Water

The shrink machine is back at it! Create nature art with a twist--picture yourself small enough to fit under leaves and hide in the grass. Next, create our own shrink machine and use it to play "shrink tag". Later, it's time to make a giant cookie, bigger than our heads!. While we wait for the cookie to cool, let's talk about what we would do if we were able to be shrunk, and then enjoy a special presentation of **Honey I Shrank the Kids**.

Thursday, Jan 6 Freaky Friday Bring Snacks, Lunch and Water Dress like one of your parents or a family member

Today will be totally FREAKY! In the morning draw a picture of yourself as someone else. Next, grab a partner and pretend to be each other! Later, share what a day in your life would be like if you were your parent, or other family member. Next, take part in the "identity exchange" relay race. End the day enjoying the classic **Freaky Friday**.

Friday, July 23 Movie Mania Bring Lunch, Water and any Costume You Want To Use For Your Movie

LIGHTS, CAMERA, ACTION!. Start the morning creating a set and costume design for your movie. Next, work in groups to develop a plot and script for your movie. Later, hold auditions for your actors. Spend the rest of the afternoon rehearsing for your final cut. End the day presenting your movie to the group.
