

## **Camp Apple Session 1 Explorer Camp Week 1 June 7-11**

**Monday, June 7**

### **Rainforest Adventure**

**Bring Lunch and Water and a Bathing suit (weather permitting)**

**Snack Provided by:**

First stop on our epic adventure is the tropical rainforest. Start your journey crafting giant leaves to hang from the trees. Next, take a pit stop at base camp to familiarize yourself with the layers of the forest and the animals that call each layer home. Later, take off on an expedition and navigate the perils of the rainforest in our rainforest obstacle course. We'll finish the day cooling off in the sprinkler shower as you play lily pad hop.

**Tuesday, June 8**

### **African Safari**

**Bring Lunch and Water**

**Snack Provided by:**

Next stop on our adventure is the African Savannah. Before embarking on your safari you need to craft some binoculars so you don't miss out on all the amazing sights. Next, hop on board our safari jeep and venture out into the wilds to find the big cats and play *Catch a Lion by the Tail*. Later we will head out in our river boat and search for hippos, but watch out, those hippos are mighty hungry! We'll end the day escaping those hungry hippos with a wacky game of *Feed the Hippo*.

**Wednesday, June 9**

### **National Parks**

**Bring Lunch and Water**

**Snack Provided by:**

Our adventure brings us back to the states as we explore the beauty all around us. Start your day crafting a pennant for your favorite National Park.

Next, let's head into the forest and play a spectacular game of *Giant Pick-up Sticks*. Later, let's admire the beauty of nature as captured by famed photographer Ansel Adams. Let him be our inspiration as we create our own natural works of art. We'll end the day with some National Park Bingo and a fantastic video presentation from National Geographic on National Parks.

**Thursday, June 10**

### **Junior Rangers**

**Bring a Bag Lunch and Extra Water  
Field Trip 1-2:30 (Approx) Nature  
Walk**

**Snack Provided by:**

Explore the wonders of the forest, and earn your credentials as a Junior Ranger. Today we will look for signs of wildlife, create a poem and identify plants. Later, take a nature walk and learn how to use a map, compass, track animal prints and take your Junior Ranger oath.

**Friday, June 11**

### **Campout**

**Bring Lunch, Water and Camping essentials (tent, flashlight, sleeping bag, etc.)**

**Snack Provided By:**

Let's start our morning with some hot cocoa and campfire stories. Next, we'll play some classic outdoor games and work up an appetite for a special campfire treat. Later, we will make and enjoy some gourmet s'mores. We'll finish the day with a campout party and enjoy an outdoor movie from the comfort of our campsites.
